EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 3-5 and 9-12 to inventions effectively non-elected without traverse (see Applicant's Response To Restriction Requirement filed October 9, 2002) . Accordingly, claims 3-5 and 9-12 been cancelled.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest two spaced apart illuminance meter provided on the emission side of the optical system and an average illuminance operation means operating average illuminance on the basis of measured illuminance values obtained from the illuminance meters in combination with the other elements recited in independent claim 1.

The prior art of record does not disclose or suggest an illuminance measuring means performing illuminance measurements before exposing an (N-1)th (N: integer) wafer, illuminance measurement after exposing said (N-1)th wafer and illuminance measurement during at least single exposure of said (N-1)th wafer; and light exposure decision means deciding illuminance for an N-th wafer from measurement results obtained from said illuminance measuring means for deciding the light exposure of exposing said N-th wafer in combination with the other elements recited in independent claim 6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
